

women ROCK STEM

Andrea Shirk
General Manager
Rock Lititz

Join Thaddeus Stevens College of Technology to learn how Women Rock STEM. Hosted by WGAL Meteorologist Christine Ferreira, the event features keynote speaker Andrea Shirk, General Manager of “Rock Lititz.” Shirk will share her experiences in live event production, a technical, creative, fast paced industry. Learn more about what happens when an interest in STEM meets the unconventional careers available in creating live event experiences!
